

WSET® Level 1 Foundation Certificate in Wines

Perfect for beginners, the Level 1 Foundation course is a good introductory course for the wine enthusiast who wishes to be introduced in a structured way to wine styles, storing and serving of wine, plus food and wine matching.

Contents:

- main styles of wine
- how wine is made
- factors that determine main styles of wine
- characteristics of principal grape varieties
- buying, cellaring and serving wine
- WSET Level 1 Systematic Approach to Tasting
- food and wine matching
- taste a minimum of 7 wines

WSET® Level 2 Intermediate Certificate in Wines & Spirits

Appropriate for individuals who have a serious interest in wine. This is a natural progression from the Foundation course, though the Foundation certificate is not a prerequisite. This course is intended to provide a comprehensive level of focused wine knowledge, offering a greater breadth and depth of all product categories in the field of alcoholic drinks. Successful candidates will be able to give information on the characteristics of the principal wines & spirits and identify major international brands within each category.

Contents:

- growing grapes
- how wine is made
- classic grape varieties
- French and German wines
- Italian, Spanish and Portuguese wines
- New world wine regions
- Sparkling and Fortified wines
- Spirits and Liqueurs
- label terminology
- WSET Level 2 Systematic Approach to Tasting
- taste a minimum of 36 wines
